# THE CHANCELLOR'S GRADUATION MESSAGE

Once again, we gather this month to celebrate the learning achievement of our students. The Eden University community welcomes participation in this celebration by the graduating students themselves, their teachers, their families, and other sponsors, and by representatives of the university and its supporters from across Zambian society. Eden University is proud on this occasion to certify the achievement of this year's cohort of graduands and to declare them ready to serve their society as informed, skilled, and accountable citizens.

This occasion represents a step forward in advancing the mission of Eden University "to contribute to transforming communities, inspiring and serving Humanity through Development, Innovation and Collaborative pursuit of Knowledge". Many of Eden's graduates are destined to become front-line agents of health and education, performing essential services in clinics, hospitals, schools, and community-based programmes across the nation. The professional quality of their work has the potential to contribute significantly to the advance of Zambian society towards internationally agreed, sustainable development goals (SDGs): ending poverty, gender equality, clean water and sanitation for all, affordable and clean energy, responsible consumption and production, peace, and justice.

A notable feature of this year's graduating cohort is an increase in the number of candidates who came to Eden from other nations. Their presence at Eden is welcome for several reasons. It gives substance to the long-standing tradition of university education that the knowledge it seeks to promote is part of a global heritage. And it testifies to the growing reputation of Eden University as a repository of that heritage and an incubator for its dissemination by nurturing the growth of new knowledge-bearing citizens. Moreover, the diversity of our students' national and sociocultural origins breathes new, enriching dimensions to the discourse of class discussions and to the social life of the campus community. Zambian society has long been famous for participation in international affairs and played an important role in fostering the generation of leaders who brought Southern African states out of colonial dependence in the 20<sup>th</sup> century. Whether the current generation of international students at Eden stay on after graduation to contribute to Zambia's national development or return to their countries of origin to pursue a graduate career there, we welcome them.

*Robert Serpell Ph.D. Professor.*  
CHANCELLOR, EDEN UNIVERSITY

# THE VICE CHANCELLOR'S GRADUATION MESSAGE

2023 marks the eighth year that Eden University has been in existence. By every measure, the institution has grown significantly in quite a short time. The Council and Management of Eden University take great pleasure in the opportunity to run a top-notch University. with over 8,000 students. The University has a committed and forward-thinking governance and management team, but best of all, it has a student body that is exemplary in its pursuit of knowledge, commitment to duty, and willingness to be guided in the acquisition of the highest level of pertinent and applied knowledge and skills for service to humanity.

In this regard, the graduands of 2023, are a special crop of well cared for individuals who, we are convinced, will play their part very well in the market place in accordance with the theme of this graduation ceremony ***“Cultivating Excellence in a Diverse Global Community”***.

## *Zambia National Anthem*

Stand and sing of Zambia, proud and free,  
Land of work and joy in unity,  
Victors in the struggle for the right,  
We've won freedom's fight.  
All one, strong and free.

Africa is our own motherland,  
Fashion'd with and blessed by God's good hand,  
Let us all her people join as one,  
Brothers under the sun.  
All one, strong and free.

One land and one nation is our cry,  
Dignity and peace 'neath Zambia's sky,  
Like our noble eagle in its flight,  
Zambia-praise to thee.  
All one, strong and free.

Praise be to God,  
Praise be, praise be, praise be,  
Bless our great nation,  
Zambia, Zambia, Zambia,  
Free men we stand  
Under the flag of our land,  
Zambia-praise to thee.  
All one, strong and free.

# Hymn

TO GOD BE THE GLORY  
TO GOD BE THE GLORY, GREAT THINGS HE HATH DONE,  
SO LOVED HE THE WORLD THAT HE GAVE US HIS SON;  
WHO YIELDED HIS LIFE AN ATONEMENT FOR SIN,  
AND OPENED THE LIFE-GATE THAT ALL MAY GO IN.

## CHORUS

PRAISE THE LORD, PRAISE THE LORD, LET EARTH HEAR HIS VOICE  
PRAISE THE LORD, PRAISE THE LORD, LET THE PEOPLE REJOICE,  
O COME TO THE FATHER, THROUGH, JESUS THE SON  
AND GIVE HIM THE GLORY GREAT THINGS HE HATH DONE

O PERFECT REDEMPTION THE PURCHASE OF BLOOD,  
TO EVERY BELIEVER THE PROMISE OF GOD;  
THE VILEST OFFENDER WHO TRULY BELIEVES,  
THAT MOMENT FROM JESUS A PARDON RECEIVES

GREAT THINGS HE HATH TAUGHT US  
GREAT THINGS HE HATH DONE,  
AND GREAT OUR REJOICING THRO' JESUS THE SON;  
BUT PURER, AND HIGHER, AND GREATER, WILL BE,  
OUR WONDER, OUR TRANSPORT, WHEN JESUS WE SEE.
